## PROBATION FORUM FOLLOW-UP: February 28, 2013

The February Forum was attended by 22 counties as well as representatives of CDSS (system support, data analysis and program staff), the Regional Center for Family-Focused Practice, and the Child Welfare Directors Association.

### ISSUE UPDATES

- The CDSS CMS Support Branch shared with the Forum that they are working with other CDSS branches to determine if the information reported on the FC23 (Probation Foster Care Placement Monthly Caseload Statistical Report) can be obtained from the CWS/CMS. CDSS needs some time to complete their analysis and make their final determination. Updates will be provided at our monthly Probation Forum meetings.
- CDSS went over the questions that are listed in our January 2013 Issues Update. The responses need to be finalized and then will be published for probation users to reference.

### NYTD SURVEY

It's NYTD survey time! If you have any questions, please contact Frank Fox, CDSS at: (916) 651-7465.

### RELEASE 7.0

Release 7.0 is scheduled for the Fall of 2013. This Release upgrades the current operating system to Windows 7 Pro and upgrades Microsoft Office to 2007. Information on the release is posted on the CWS/CMS website behind the County Logon. If you have any questions, please contact your System Support Consultant at the CWS/CMS Office.
